

Pyosik：优秀冠军打野确定会离开LCK去海外征战

Reddit网友整理了昨晚S12英雄联盟冠军打野选手Pyosik出现在他人直播间的言论，并提取部分要点，大意如下：

DRX夺冠后首发五人想维持原阵容，但是没成功。

Pyosik对DRX感情很深，但即便他非常希望留在DRX，最后也没能留

下来。

没有打进S12的队伍早就开始探索自由市场了。等DRX打完世界赛回来之后各队阵容基本都确定了，并且LCK队伍大多都在削减预算。所以Pyosik在LCK很难找到队伍。排除阵容已经确定的和削减预算的队伍，Pyosik就只剩下两支队伍可以去。但是这两只队伍的首选都不是Pyosik。

Pyosik的新队伍工作环境很好，选手氛围也很不错所以Pyosik很快签约了。

韩国粉丝在咖啡厅办DRX夺冠庆祝活动的时候Pyosik也去了。Pyosik差点哭出来了，因为他清楚自己肯定要离开LCK了。

DRX Pyosik confirms he is leaving the LCK + what happened in free agency

A lot here to translate, I will comeback and see if I can translate it.

Short summary/points:

- they wanted to stay as 5 but didn't work out
- pyosik has a lot of affection for drx, wanted to stay even if it was him but just didn't work out.
- teams that didn't qualify for worlds already started free agency, came back from worlds and teams already figured out their rosters/lck teams are cutting budget so it was difficult to find a team. Excluding teams that were cutting budget and teams that already had their roster figured out, he had 2 lck teams left but both of those teams didn't have pyosik as their number one option.
- the team he chose has really good work benefits and environment for players so he signed right away
- korean fans prepared a celebration for pyosik at a cafe, he almost cried because he knew he was going to leave the LCK.
