

英雄联盟12.23版本更新预览：坦克联盟正式来袭

英雄联盟12.23版本更新预览如下，预计周四凌晨维护，周五上架北极星新皮肤。

The image is a promotional graphic for the League of Legends 12.23 patch. It features a dark blue background with a glowing blue energy trail. The top left corner displays the League of Legends logo and the text "12.23 PATCH NOTES". The content is organized into several sections:

- NERFS:** A row of six circular icons representing champions: Lillia, Mordekaiser, Shyvana, Syndra, Trundle, and Yuami.
- BUFFS:** A row of ten circular icons representing champions: Amumu, Cho'Gath, K'Sante, Kayn, Malphite, Maokai, Slon, Tahm Kench, Zac, and Zeri.
- NEW:** A grid of eight champion skins: Winterblessed Warwick, Winterblessed Diana, Winterblessed Zoe, Winterblessed Zilean, Prestige Winterblessed Warwick, Winterblessed Swain, Winterblessed Shaco, and Ashen Graveknight Mordekaiser.
- KEY:** A legend for the patch notes, showing icons for JUNGLE, BOT, TOP, MID, and SUPPORT, and color-coded bars for AVERAGE (Iron-Gold), SKILLED (Plat-Dia 3), ELITE (Dia 2-Chal), and PRO (Pro leagues).
- ADJUSTED:** A section with two circular icons for Dr. Mundo and Kassadin, and three square icons for Ravenous Hydra, Sunfire Aegle, and Jungle.
