

《守望先锋2》路霸削弱重做 推迟至2023年1月上旬

据《守望先锋2》首席英雄设计师Alec Dawson的消息，英雄角色“路霸”将在2023年1月中下旬迎来一次“小重做”，开发者将重点削弱他的秒杀能力，使其更符合5v5坦克职责定位。

Full patch notes here!

Mentioned this on stream but there were some tech issues with the planned Roadhog changes. Those will come out mid/late January.

We'll be nerfing his one-shot capability. Down the line he'll get a soft rework that positions him better as a Tank for 5v5.

这个改动原本会在12月16日的补丁中上线，但由于技术问题被推迟到了明年1月。
