

数据挖掘者紧急澄清《命运2》包月订阅服务为假消息

此前有国外的数据挖掘者称，《命运2》将推出包月订阅服务，现在数据挖掘者Elliott和Bruders出面澄清这只是玩笑，并向玩家道歉。

Elliott说道：“我们本打算让这种情况继续下去，但由于它发展地越来越大，而且人们实际上在服务器之外感到担心，我们只想正式道歉，并承认我们骚扰了所有人，这可能会让很多人生气，但这一切都并非恶意。”

@here

Was gonna just let this keep on going, but since it grew really large and people are actually worried outside of the server we just wanted to formally apologize and admit that we trolled everyone. This will probably make a lot of people angry, but it was all meant to be done non maliciously. If there's any future joke posts ill label them from now on. For future fact checking nothing outside of the current season can be datamined (this may change in LF but doubtful).

Happy Holidays

Sincerely,

- **@Elliott** and **@bruders**

数据挖掘者还承诺，将来会正确标记那些帖子是笑话，那些是来自数据挖掘的《命运2》真实报告。
