

大嘴Thorin：A队管理层是会妥协的卑鄙小人

Thorin在社媒发表了对于Astralis引入被ESIC封禁教练HUNDEN的看法。

“ Astralis唯一一个没有被揭露使用教练BUG的教练是trace。他可以把一个有farlig、 gla1ve和Xyp9x的阵容带到了IEM科隆的四强。但因为在只有一个明星选手的情况下，没有闯进Major就被解雇了。

Thorin 
@Thorin

The only coach Astralis has had who wasn't exposed as being involved with some use of the coaching bug exploits was trace.

He took a line-up with farlig, gla1ve and Xyp9x to top 4 at Cologne and was fired for not making the major w/ a single star.

“在这点上，如果你是Astralis工作，成为作弊者就不算是犯错，而是成了一个特点。我认为他们（A队管理层）是无论如何都会妥协的卑鄙小人。”

Thorin 
@Thorin

At this point it's a feature and not a bug to be a cheater if you work for Astralis. They're scumbags who are gonna compromise you anyway so I guess the best application feature is to already be compromised!
