

动视暴雪展开「重返办公室计划」引发离职 员工透露「就是为了远程办公而来！」

近日两名自称是动视暴雪员工的网友称，动视暴雪于本周一宣布“重返办公室计划”，即要求员工们在特定日期返回公司办公。

据悉，“重返办公室计划”将从4月10日开始施行，要求员工每周在公司工作三天，两天远程工作。外媒VGC联系看动视暴雪，动视暴雪发言人证实，他们在本周更新了工作计划。

“动视暴雪一直想让团队返回公司办公，2月13日我们更新了未来工作计划。在与每个团队紧密合作下，我们根据最适合自身业务和目标定制了一个计划。期待这一变化能带来更多实时、面对面的合作和机会。”

Replying to @LeastMyHairIsOk

Our employees have consistently put out excellent work despite the drawbacks of WFH since COVID started. To throw them back into office to risk disease and death on the weak justification of "Better collaboration" is unconscionable. 12/14

ABK leadership is either maliciously aware of all of these factors or actively incompetent. We have had back to back years of record earnings while cost cutting measures like layoffs were continually justified. WFH was the silver lining that kept many of us here. 13/14

员工LeastMyHairIsOk表示，动视暴雪大多数员工都没有兴趣重返办公室，因为健康风险大且通勤成本高。暴雪这么做只会让更多人才外流，因为科技行业其他工作薪酬更高，且允许居家办公。她说：“员工们还有什么动力留在动视暴雪呢？”

员工DrHilarious_PHD称，他在动视QA工作，在收到公司通知后，许多人选择离职，因为大部分人是看中了远程办公才选择这份工作。

Activision Just Announced Removal of Work From Home Options And Is Denying Applications For Working From Home Permanently To People With Disabilities - Mass Walkouts Ensued

Thank you for reaching out. As mentioned on today's townhall, Activision is requiring employees to return to office, beginning April 10, 2023. Our working model for Activision QA in El Segundo, Austin, and Minneapolis requires employees to be in the office three days a week and work remotely two days a week. The expectation is for employees to be within a reasonable commute to the office they were hired for. As a result, there are no permanent remote work opportunities within QA.
