

微软宣布将把更多Xbox游戏带给任天堂玩家

微软宣布与任天堂签署了一份长达10年的合同，将把《使命召唤》游戏带给任天堂玩家，与Xbox版同日发售，游戏功能与内容完全相同，此外还会将更多的Xbox游戏带给任天堂玩家。

Microsoft and Nintendo have now negotiated and signed a binding 10-year legal agreement to bring Call of Duty to Nintendo players - the same day as Xbox, with full feature and content parity - so they can experience Call of Duty just as Xbox and PlayStation gamers enjoy Call of Duty. We are committed to providing long term equal access to Call of Duty to other gaming platforms, bringing more choice to more players and more competition to the gaming market.
